

Visitors Policy

Study Right is committed to providing a safe and secure environment for the children in our care. When we have visitors to our centre we need to ensure that this will not have a detrimental effect on the children and that the person in question has a valid reason for visiting the centre. Accordingly, when a visitor arrives at the centre we will follow the procedure set out below.

- All visitors to the centre must sign the **Visitor Log**.
- If staff require further reassurance of the identity of a visitor, they will phone the employing organisation of the visitor, e.g. Ofsted, Local Authority, Environmental Health Department, etc., for further confirmation. If this is not possible, staff will seek the advice of the centre Manager.
- The reason for visit will be recorded.
- Visitors will never be left alone or unsupervised with the children.
- If a visitor has no reason to be on the centre's premises staff will escort them from the premises.
- If the visitor refuses to leave, staff will call the police. In such an event an **Incident Log** will be completed and the manager will be immediately notified.
- When a visitor leaves the premises, we will record the time of departure on the **Visitor Log**.
