

Behaviour Management Policy

General

Study Right uses effective behaviour management strategies to promote the welfare and enjoyment of children attending. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive strategies. Study Right's rules are clearly displayed at every session, and are discussed regularly.

Whilst at Study Right we expect children to:

- Use socially acceptable behaviour
- Comply with Study Right's rules, which are compiled by the children attending
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Ask for help if needed
- Enjoy their time at Study Right

Encouraging Positive Behaviour

At Study Right positive behaviour is encouraged by:

- Staff acting as positive role models
- Praising appropriate behaviour
- Informing parents about individual achievements
- Offering a variety of play opportunities to meet the needs of children attending the learning centre.

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff at Study Right will try to determine the cause or triggers of any inappropriate behaviour to prevent such situations from recurring.

Dealing with Inappropriate Behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, the child will be temporarily removed from the activity.
- Staff will discuss why the behaviour displayed is deemed inappropriate.
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence.
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.
- We will not threaten any punishment that could adversely affect a child's well-being (e.g. withdrawal of food or drink).

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, Study Right may decide to exclude the child in accordance with our Suspensions and Exclusions Policy. The reasons and processes involved will be clearly explained to the child.

Physical Intervention

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified and it will be recorded in the **Incident Log**. The incident will be discussed with the parent or carer as soon as possible.

If staff are not confident about their ability to contain a situation, they should call the manager or, in extreme cases, the police.

All serious incidents will be recorded on an **Incident Log** and kept in the child's file. This may be used to build a pattern of behaviour, which may indicate an underlying cause. If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with our Safeguarding Policy.

Corporal Punishment

Corporal punishment or the threat of corporal punishment will *never* be used at Study Right.

We will take all reasonable steps to ensure that no child who attends Study Right receives corporal punishment from any person who cares for or is in regular contact with the child, or from any other person on our premises.
